

Song Title

Achy breaky heart
Adalida
Ain't no cure for love
Air that I breathe, The
All I have to offer you is me
And I love her
And I love you so
Angel band
Angel of the morning
Another Saturday night
April sun in Cuba
As tears go by
As time goes by
At last

Baby, I need your loving
Baby, now that I've found you
Back home again
Back in baby's arms
Bad case of loving you
Bad moon rising
Banks of the Ohio
Beautiful boy
Beautiful Sunday
Beds are burning
Before the next teardrop falls
Begin the beguine
The best (Simply the best)
Big jet plane
Bird dog
Bird on a wire
Black is black
Blackboard of my heart
Blame it on the bossa nova
Blame it on your heart
Blue Bayou
Blue moon
Blue suede shoes
Blueberry Hill
Bonaparte's retreat
Boot scootin' boogie
Brown eyed girl
Bye bye love

Calendar girl

Can't buy me love
Can't take my eyes off you
Chains
Chapel of love
Colour my world
Cootamundra wattle
Copperhead Road
Could I have this dance
Cowboy lovin' night
Crazy
Crystal chandeliers

Da doo ron ron
Dance the night away
Dancing queen
Darling pretty
Day tripper
Delta Dawn
Dock of the bay
Don't close your eyes
Don't it make my brown eyes blue
Don't let me cross over
Down on the corner
Dream lover
Dreams are ten a penny

Everybody's somebody's fool

Fall in love with you
Feliz Navidad
Fields of gold
Fire
From a jack to a king
Funky town

The gambler
Garden party
The gift
The girl can't help it
Girl from Ipanema
Glory of love
Good luck charm
Great Southern land
Green door
Green River
Guitar boogie

Halfway to Paradise
A hard day's night
Harper Valley PTA
Have you ever seen the rain
He stopped loving her today
Heard it through the grapevine
Heart of gold
Heartache tonight
Heartaches by the number
Heaven's just a sin away
Here, there and everywhere
Hey, good lookin'
Hippy hippy shake
Honky tonkin'
Hound dog
Howzat

I ain't gonna fall for love again
I can see clearly now
I can't help it if I'm still in love with you
I can't help myself (Sugar pie, Honeybunch)
I fall to pieces
I gotta know
I just wanna dance with you
I saw her standing there
I should have known better
I wanna hold your hand
If I fell
If I had wings
If I said you had a beautiful body
If I should fall behind
If you gotta go, go now
If you're not in it for love
I'll follow the sun
I'm a believer
I'm into something good
I'm not over you
I'm so afraid of losing you again
Imagine
In the midnight hour
Islands in the stream
It wasn't God who made honky tonk angels
It won't be long
It's a sin to tell a lie
It's now or never
Itsy bitsy teeny weeny

Jailhouse rock

Jambalaya
Jessie
Joey
Jolene
Just a picture in a frame
Just one look

Khe Sahn
Kiss an angel good morning
Kiss me
Kisses

Lay down beside me
Leave him in the long yard
Life's railroad to heaven
Lights on the hill
Lipstick on your collar
Little sister
Live it up
Livin' next door to Alice
Locomotion
Lodi
Long cool woman (in a black dress)
Losing side of me
Love grows (where my Rosemary goes)
Love is all around
Love is in the air
Love is just a two step away
Love letters
Love potion number nine
Lucille
Lyin' eyes

Make you feel my love
Making believe
Massachusetts
Me and Bobby McGee
Memphis
Mississippi
Moonlight swim
The more I see you
Mustang Sally
My shoes keep walkin' back to you

Needle in a haystack
Neon moon
Never on Sunday
New kid in town

New patches
Nobody's darling but mine
Nowhere man
Nutbush City limits

Oh boy
Oh, lonesome me
Old flames (can't hold a candle to you)
On this night of a thousand stars
One day at a time

Paper roses
Party doll
Peace pipe
Pick me up on your way down
Play me the waltz of the angels
Please help me, I'm falling
Please Mr please
Pleasure and pain
Pretty woman
Proud Mary
Pub with no beer

Quando, quando, quando
Queen of hearts

Raining on the Rock
Reach out (I'll be there)
Right time of the night
Ring of fire
Rock and roll waltz
Rock around the clock
Rock-a-hula baby
Rose of my heart
Runaround Sue
Running Bear
Running kind

Save the last dance for me
Say you love me
Sea of heartbreak
Send me the pillow that you dream on
Sensitive kind
Shake, rattle and roll
She thinks I still care
She's got you
She's in love with the boy
She's in love with the rodeo man

Silver threads and golden needles
Silver wings
Sing me back home
Singin' the blues
Single yellow rose
Shindig
Sing me back home
Sister golden hair
Slipping away
The snakes crawl at night
Some broken hearts never mend
Something to talk about
Sounds of silence
Sounds of then
Speed of the sound of loneliness
Stand by your man
Standing in the shadows of love
Storms never last
Strangers in the night
Stuck in the middle
Stuck on you
Sugar pie, Honeybunch (I can't help myself)
Sundown
Sway
Sweet Caroline

Take it easy
Take me home, country roads
Teddy bear
Ten guitars
Tennessee waltz
Texas side step
There'll never be anyone else but you
These boots are made for walkin'
They shoot horses, don't they
Things we said today
Ticket to ride
Till I kissed you
Till the rivers all run dry
Till there was you
Time of my life
To love somebody
To Sir with love
Too many rivers
Top of the world
Trains and boats and planes
True blue

Turn it on, turn it up, turn me loose
Twist and shout

Under the boardwalk
Up around the bend

Wake up little Susie
Walk away Renee
Walking after midnight
Walking in Memphis
Waltz across Texas
The wanderer
Wasted days and wasted nights
Waterloo
Wayfaring stranger
The wayward wind
What am I doin' here with you
What am I living for
What do you want to make those eyes at me
for
What now my love
When will I be loved
When you walk in the room
Where could I go but to the Lord
Whispering hope
Who'll stop the rain
Wild thing
Will the circle be unbroken
Will you love me tomorrow
Wishin' and hopin'
Witch queen of New Orleans
Wonderful tonight
Words you don't say, The

YMCA
You can't do that
You don't even know who I am
You don't know me
You won't see me
Your cheatin' heart
Your cold, cold heart
You're my best friend
